

2022 Young Adult Summer Retreat (YASR) COVID Protocol

This protocol is applicable to **ALL YASR 2022 attendees** both local and international. Failure to adhere to this protocol could result in dismissal from the program.

1. **Vaccination:** Full vaccination is advised and recommended for all attendees.
 - Full vaccination means at least two doses of Pfizer or Moderna and/or boosters
 - One dose of Johnson & Johnson and a booster
2. **Masks:** All attendees are **REQUIRED** to wear a mask at **ALL** times during the YASR program (strictly enforced).
 - The only exception to this rule will be during mealtimes, but distancing as best as possible is encouraged.
 - Additional masks will be provided by Advanced Platform Committee (APC).
3. **Temperature Checks:**
 - As a precaution, all attendees should expect a temperature check every morning prior to the first program of the day.
 - Temperature thermometers will be provided by APC
4. **Covid-19 Test for symptomatic attendees:**
 - Antigen home test will be made available on site for those showing symptoms of Covid
 - PCR test can be accessed at the nearest local pharmacies
5. **Positive Test Results:** In a situation where a participant tests positive, such attendee will be isolated in a separate room for the duration of the program.
6. **Plans for Potential Outbreaks:** In the event that we have multiple people test positive, the APC team will either work with the nearest local hospital or quarantine them in separate rooms.

If you are sick, please help us protect other attendees by staying at home and away from YASR 2022. If you do need to cancel due to illness, please let us know and we would work with you regarding a partial refund In Sha Allah.
